INTRODUCTORY STATEMENT

The within agreement is made to effectuate the policy of Chapter 303 of the 1968 Laws of New Jersey, R.S. Cum. Suppl. 34:13A-1, et seq. (hereinafter "Ch. 303"), and to formalize agreements reached through negotiations conducted in good faith between the Board and the UNO with respect to grievances and terms and conditions of employment:

WITNESSETH:

"WHEREAS, said parties have as their purpose the promotion of harmonious relations between the Board and the U.N.O., the mutual concern for patient care, the establishment of an equitable and peaceful procedure for the resolution of differences and to the end that continuous and efficient services will be rendered, this agreement is created".

for promotional vacant or newly created positions subject to standards of qualifications established by Nursing Administration.
